

I enjoy being a part of Peace Lutheran Preschool. I grew up in Lakewood, CA, so you can consider me to be a true "California Girl". I have two children that currently reside in CA, their names are Martin and Brandi. In 2005 my husband James and I moved to Surprise, AZ after reading about how a family relocated there. For 12 years I worked as an Administrative Assistant in the Financial Field along with various other jobs. After a summer of looking toward a new career to incorporate into my life, God brought me to Word of Life Lutheran Preschool in Surprise, AZ, where I worked as a Teacher's Aide. I have many years of experience as a Teacher's Aide with the preschool age children and have over a 100+ hours of training thru the Southwest Human Development and the Maricopa County Early Care and Education. I am excited for the school year to begin for the coming year. I would describe myself as being a crafter, love working on quilts, decorating and reading.
