

My name is Andrea Herrera, I was born and raised in Colorado. I recently moved to Arizona with my Husband of 21 years and my 3 daughters ages 19, 18 and 4. Last couple of years I worked at a program in Fort Collins, CO called Mom's Day Out. I loved being able to work alongside the teacher in the 2 year old class. I also volunteered in my Home Church Nursery and Children's Church. When my older girls were just starting school, I was a Paraprofessional in their Elementary School. I was able to work with Kindergarten age all the way up to 6th graders, helping with reading and writing. Now I am so excited to repeat it all over again with my youngest daughter! In my free time I enjoy spending time with my family and expanding my essential oil and jewelry business. It is a privilege and an honor to be a part of Peace Lutheran and I look forward to watching and assisting in each child's development!
