

Alyssa Hanson

Pre-K Lead Teacher

I am a mother of two sweet little girls that have had the pleasure of attending Peace Lutheran for their preschool years. I couldn't be more thankful for the opportunity Peace Lutheran Preschool has provided me to be a part of the team. I come into this role with an Associate's degree in Early Childhood Education and over 8 years of experience working with children at various grade levels. Working with children has always been my greatest passion. Growing up my mother was a preschool director and as soon as I was old enough I began working with her. At times in my life I have tried to pursue other career choices by God has always led me back to the classroom setting. I took a break from school and teaching to be a full time mom and now both my girls will soon be entering a full school day. I plan to finish y BA degree in Elementary Education and see where God leads me next.

On my free time, I enjoy going to the movies, the gym, volunteering at my grandpa's nursing home and spending time with my girls and husband, my hobby would have to be searching Pinterest for new and fun crafts to do with my

daughters. I am so blessed to have all of mind and my husband's family here in Arizona, so we often spend time with them as well.

I look forward to meeting and working with all children and parents and have faith that God will provide us with a smooth transition. Thank you for this opportunity to help your child grow and learn with God at the center. It's truly a blessing to be able to be part of this school year.
